January/February 2015

Website: www.hernandoquiltersguild.com

President's Message

Dear Guild Members,

Happy New Year everyone! I am looking forward to serving as your new President. I know I have really big shoes to fill, as Karen Pilon and Sharon Allard did such a great job as Co-Presidents.

The Christmas Party at Silverthorn was a big success thanks to Nancy Jenkins and her committee, who worked very hard. Over sixty members joined in the fun. I was amazed at all the wonderful raffle gifts!

Now that the new year is upon us, we can concentrate on all the quilting and sewing adventures that our Guild provides.

The thread that binds us is our passion for quilting and sewing. We are so lucky that our guild offers us the opportunity to come together, share our talents, inspire others, have fun and contribute to our community. As an added bonus, we are able to forge new friendships as well as appreciate longtime friendships.

I know that with the support of past and present board members and our membership at large, our guild will thrive.

Your President,
Bonnie DeFranco

How many of us will look like this in March? "Are We Having Fun Yet?"

Trying to stay up until 1:00am at Quilt Retreat!

Guild Annual Christmas Luncheon – December 4th, 2014

Our annual Christmas Luncheon was held on December 4th at Silverthorn Country Club. Nancy Jenkins and her Christmas Elves did an outstanding job again this year. The Co-Presidents passed out pins for the year to guild members for their respective volunteer activities and the installation of new officers for 2015/2016 took place. As is custom within our Guild, Eileen Vyvyan past President presented the 2013/2014 term outgoing Co-Presidents with their Quilt Blocks made by the membership in appreciation for their service to the Guild. A wonderful Penny Auction followed with so many nice prizes. A fun time was enjoyed by all.

Tips / Tricks

THREADING A NEEDLE

- ❖ I read there is a "right" side and 'wrong' side to the needle eye. If you are having a hard time getting the thread through, turn the needle's eye around... I've been doing it this way since I read that - and it works like a charm. *From Fons & Porters Tips archive*
- ❖ To simplify threading needles, cut the thread at an angle so it easily slips through the eye. *From Fons & Porters Tips archive*

ALIGNING THE QUILT TOP

- ❖ To align the quilt top, batting, and backing for basting, fold each in half and mark the center fold with pins. As you layer your quilt, match the center pins to align the layers. *From Fons & Porters Tip archives*

ATTACHING BUTTONS TO A QUILT BLOCK

- ❖ I recently completed a quilt with dozens of buttons—each block had about six. Rather than placing one button at a time, I placed them wrong side up inside a shoe box and sprayed them with temporary adhesive. I could position all the buttons for a block at one time and have them stay in place while I sewed them on by machine using my button foot. *From: Connie Baranyk - Binghamton, NY*

APPLIQUE TIPS – Traditional or Fusible

- ❖ Avoid using fabric softener in the washer or dryer when you prewash fabrics that you later intend to fuse. Fusible web will not adhere properly to fabrics treated with fabric softener. *From Fons & Porters Tips archive*
- ❖ If you have accidentally fused an appliqué in the wrong place, use a fabric softener dryer sheet as a pressing cloth to loosen the web so you can remove the appliqué to reposition it. *From Fons & Porters Tips archive*
- ❖ For beautifully curved and flat bias strips, steam press in approximate curves before applying. I use metal bias bars to prepare my strips, but this method works with any type of bias. *From Anne Fitts – Vero Beach, Florida*
- ❖ A great way to store small pieces cut for appliqué is on layers of flannel-backed vinyl. Cut a vinyl tablecloth in pieces the right size for a pizza box or other storage container. Place appliqués on the flannel side of the squares and stack them up. *From: Love Of Quilting March/April 2004*

SNEAK PEAK AT OUR QUILT SHOW THEME DESIGN

As most of you know, our November, 2015 Quilt Show theme will be “**COLOR EXPLOSION.**” Here is a picture of the Quilt Show Logo Design. This design will appear on the flyer and all advertising, tickets, etc. The flyer and advertising will be out shortly as well as the raffle tickets when the quilt is finished.

Quilting Websites To Consider

- www.Findmyfabric.com This is a website dedicated to fabric search. If you are looking for a particular fabric that you ran out of before you completed your quilt you might be able to find your fabric here. It's a Fabric, Sewing and Quilting Supply search engine. Find products offered by hundreds of online stores, all in one place. Check it out.
- www.Connectingthreads.com This site carries fabric and thread at a very reasonable price. They have their own fabric lines at \$5.96 per yard and Essential Thread at \$2.97 per spool. They also carry designer fabric. You can even search by value, Scale, subject and color as well as by designer, collection. They carry Batik fabrics as well. I have personally ordered from them and they are friendly, quick and their shipping is reasonable also. Check them out.

We Have A Winner !

At our August, 2014 Guild Meeting, a Trunk Show was presented by Tess Pokorny of Scrap & Sew. She had a raffle quilt with her that was designed by Sandy Snow. The quilt was amazing and incorporated several techniques including piecing, applique and painting.

We all bought tickets and lo and behold one of our own members, Natalie Scott, was the lucky winner. As an added bonus to her winning the amazing quilt, when she went to Scrap & Sew to pick it up, she was fortunate enough to meet the designer in person and had a photo taken with her. See below photos.
