President's Message

Greetings Fellow Guild Members,

I'm back from my 3 week trip North and still trying to work out the cobwebs! During my journey, I was able to attend the Maine Quilt Show in Augusta. I purchased some additional *Fabrico* Paint Pens in colors I did not already have. I knew there was a vendor there who sold them, so I carried a list of colors w/codes that I still needed to complete my collection. I also visited a few quilt shops along the way. One in particular was in Hagerstown, Maryland run by the Amish. I was taken back by all the wonderful sample quilts that adorned every wall. One could not begin to single out any particular pattern. Each was even more inviting than the next! I did finally choose a pattern called "Farm Fresh Trees" with a vintage truck filled with snow covered pine trees, an old fashion Barn, Snowmen and such! I've always had a special interest in Vintage things from days gone by, quaint cottages, doilies, linens, lace and antique Tea Pots! Perhaps I should have been born in a different era.

With Fall quickly approaching, I'm reminded of a drive I once took in October several years ago from my Aunt's house in Albany, NY to Hartford, Connecticut, along Route 84, to visit friends. I was in awe of the magnificent crimson, gold, reds, browns & yellows of the changing leaves along the way. I pulled off the road at a Rest Stop and found myself collecting all the different shaped leaves from assorted trees that had fallen in a blanket of colors. This vision ignited my creative side and the wish to capture that moment in time. After leaving Connecticut and arriving back in Albany, leaves in tow, my Aunt got out some wax paper and we saved each leaf between the paper. I still have that envelope of wax paper-preserved leaves with a promise that I would someday trace and make a wonderful fall quilt, or wall hanging, preserving my memories of that unforgettable, awe-inspiring Fall drive. I grew up in the Hudson Valley and Fall has always been my favorite time of year. I truly miss it!

For advance planning, our Christmas Luncheon is scheduled for December 6th this year and will again be held at Silverthorn Country Club. We will be doing a \$20.00 gift exchange and **will not** have a Chinese Auction. More details and sign-up will follow later.

Our Annual Retreat dates have been set for March 4th - 7th, 2019. I will again be the coordinator this year and Ava Rossler and Sue House will collect the money and handle room assignments. The Retreat Registration Forms were emailed out on August 7th with a cost the same as last year.

So, until next time my quilting friends Remember....
"A Quilter Treasurers Life's Moments, One Stitch At a Time!"

Fondly - Your President, Barb Theriault

GUILD NEWS AND NOTES

- ❖ **GUILD CLASSES** Guild Classes will continue in October along with certain dates for Boutique Items (Make & Donate). As the “Make & Donate” Chairperson, Sharon Didden has made up a schedule of the upcoming classes for the Boutique. The parameters for the M/D is to come and learn a specific item and then to either finish the item in class and donate it to the 2019 Quilt Show Boutique, or to make the item at home and then donate it. All interested members will sign up with Sharon for these classes. You will also be receiving material lists in advance of the classes via e-mail.
- ❖ **ENRICHMENT CENTER MEMBERSHIP** In order to take any of the Guild classes on Tuesdays, it is a requirement that you belong to the Enrichment Center first. This is just a reminder for new members who might not be aware of this rule. You can join the Enrichment Center for \$15.00 per year so you can take our classes as well as anything else the Enrichment Center has to offer, which is a large variety of things that you might like. It is a small yearly fee to pay to have access to the many things the Enrichment Center has to offer.

- ❖ **2018 OPPORTUNITY QUILT (“Roses Of Hernando”)**

We are moving right along with the ticket sales for the 2018 Opportunity Quilt, which was apply named (Roses Of Hernando). This Quilt was made to raffle off in advance of our 2019 Quilt Show to fund our Pre-Quilt Show expenses. The Quilt was quilted by Louise Isabelle who did a fabulous job, one that we can be proud of as well as all the members who did various segments of the piecing, binding, backing, etc. The drawing will be held at the November 15, 2018 meeting at Jerome Brown Community Center. *(See the picture on the right of the completed Quilt)*

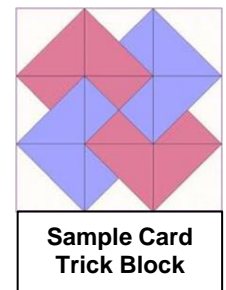

“Roses Of Hernando”

- ❖ **2019 QUILT SHOW OPPORTUNITY QUILT (“Rosewood Cottage”)**

With a vote by the membership we have chosen a Quilt pattern of fusible applique and piecing combined by designer, Nancy Odem, called “Rosewood Cottage.” Barb Theriault & Bev Abenante are the coordinators of this project. Barb made this quilt about 6 years ago for her own collection and showed it at a few of our meetings. Barb & Bev got together on June 18th to sort out fabrics which they will both be donating. Barb made up packets of some of the pieced blocks and handed them out at the June meeting. To keep consistency, we only chose a few people to participate in the preparation. When this quilt is completed we will start selling tickets ahead of the 2019 Show and also at the Show, with the drawing to be held on the last day of the show. Barb will design the raffle tickets for this quilt. *(See a sample picture of Barb’s original quilt on the right)* Barb has updated the designs of some of the applique blocks and several of the appliqued and pieced blocks have been completed already. If all goes well, we should be on schedule for January or February, 2019 to start selling tickets.

- ❖ **2019 GUILD CHALLENGE - “CARD TRICK”** – As the winner of Best of Show for the 2018 Guild Challenge, Sue House, with the help of Shirley Kerstetter, “Viewer’s Choice” have chosen the subject for the February, 2019 Challenge. The subject is **“CARD TRICK QUILT BLOCK”** The idea is to make a quilt with the Card Trick Quilt Block featured in your quilt and be easily recognizable. The block can be any size and color. You can incorporate one, or multiple blocks in your design, create a traditional, or mini quilt, or create a unique design of your own. Applique and embellishments may be included as well. Get your creative juices flowing. We would like to have a large participation. If you have any questions, call Sue House at (607-425-9845) or e-mail: house.suzannea@gmail.com, or call Shirley at (352-686-9057)

You will again be asked to bring 4 Fat Quarters when you check in. For any of you newcomers to our Retreat, you are in for a fun time!

Brigitte Kasm is ready to ring in the Fall w/ this Vintage Truck Applique wall hanging. Love It!

Louise Isabelle is showing a cute little summer wall hanging.

Denise Jolliffe made this clever wall hanging for her eye doctor friend. Cool!

Ava Rossler is showing a few of the weighted Chicken Pin Cushions from a class she held on July 17th for Boutique Items.

THIS & THAT....

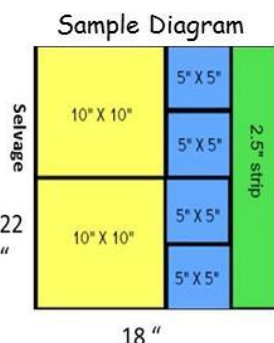

Monthly Quilt Show Boutique Project

Louise Isabelle has come up with a project that we will all be involved in for the Quilt Show Boutique. We will be making our own Charm Packs, Layer Cakes and 2 ½” strips from Fat Quarters. Each month will have an assigned color. You will cut 2 Fat Quarters a month, in the following way:

Trim your Fat Quarters carefully. Remove the selvedge. Then cut each Fat Quarter as described below.

- ❑ The first cut will be 10” – this will then be cut into two 10” squares
- ❑ Next cut a 5” strip. Then sub-cut into four 5” squares
- ❑ Finally, cut a 2 ½” strip

Pass your Charms, Layer Cakes and 2 ½” strips to either Louise Isabelle, or Terri Coley at the Guild Meeting. Put them in a plastic bag each month and put your name on the bag.

Cut two Fat Quarters a month into: (See Sample above)

- Two 10” Squares
- Four 5” Charms
- One 2 ½” Strip

See monthly schedule below:

WOOL APPLIQUE PROCESS

If there’s anything you should know about wool appliqué, it’s this: it’s fun, easy, quick, and addicting! There are no edges to turn, no right or wrong sides, and no worries about fabric grainline. It’s one of the simplest and most forgiving forms of appliqué.

Wool appliqué is very portable, so you can work on it almost anywhere. It’s so easy and relaxing that you can visit with a friend and not lose your place while stitching. Small wool projects are fun to work on with a group around a table, and they don’t take up much room.

When choosing and purchasing wool, you have a few options:

New wool or wool off the bolt. New wool, cut off the bolt, can be found at fabric stores, woolen mills, and quilt shops. The wool comes in a variety of weights, textures, and colors. When choosing wool off the bolt, look for fabric that is at least 80% wool, or it won’t felt. My recommendation is to choose 100% wool whenever possible. Suit-weight wools tend to be too light, and coat-weight wools are too heavy. Wool cut from the bolt will need to be felted before using. (See “Felting Wool” below for directions.)

Found or repurposed wool. You can also look for wool at garage sales, estate sales, thrift shops, and in Grandma’s attic in the form of blankets, jackets, skirts, and more. It can be hard to know what percentage of wool is in a found piece if there’s no label. You can experiment to see if it felts. If the piece is a garment, take it apart before you felt it and be aware that if it has fusible interfacing, it won’t felt. The best finds are wool skirts and lightweight wool blankets. Found wool can be used as is, or you can over dye it.

Hand-dyed wool. Hand-dyed wool is my favorite. Although hand-dyed wool can be expensive, it has already been felted through the dyeing process. It’s ready to use and very convenient. Hand-dyed wools are soft and wonderful to stitch, plus they offer many different texture and color options. Look at your projects as works of art and heirlooms that you will pass down, and the cost will be worth it.

Felting Wool

Felting wool requires moisture, agitation, and heat. When these things are applied to the woven wool, it shrinks the wool fibers and makes them mat together, which eliminates raveling. Most wool shrinks about 10% to 20% depending on the fabric, the water temperature, the length of the agitation, and the dryer temperature. The longer you agitate and the hotter the setting, the thicker the wool will become. Be careful not to overdo it or your wool will become too thick and stiff to use for appliqué.

This & That (Continued)

Felting Wood (Continued)

When felting, sort your wool pieces by color or by lights and darks. I felt wool using a small amount of laundry soap and a normal wash cycle, using hot water followed by a cold rinse. If you have loosely woven wool, you may want to run it through twice or on a longer cycle. Dry the wool in a hot dryer and remove it promptly, as over-drying can cause set-in wrinkles.

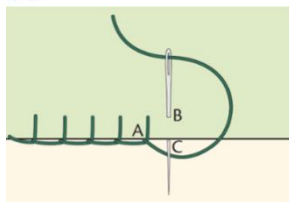

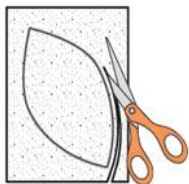

Felting wool can produce a lot of lint, so be sure to clean out the lint trap.

Wool Applique Tutorial

For best results, use felted wool made from 100% wool fibers. That is, woven fabric that's washed in hot water and dried with heat, resulting in soft, fluffy fabric. This is not the same as wool felt, which is made up of wool fibers that have been compressed together rather than woven. Wool felt can't be laundered as successfully as felted wool.

Note: the process for wool-on-cotton appliqué and wool-on-wool appliqué is the same.

- Trace each appliqué shape onto the dull side of a piece of freezer paper, leaving approximately $\frac{1}{4}$ " to $\frac{1}{2}$ " between the shapes. Roughly cut out each shape. With the shiny side down, iron each shape onto the right side of a piece of wool using a dry iron. Try not to press too hard on the wool—you don't want to flatten the fabric too much.
- Carefully cut out each piece along the drawn line and remove the freezer paper. Your shapes are now ready to place on the background piece.
- Apply a dab of glue to the wrong side of each appliqué shape. Gently press the shapes into place on the background, working from the bottom layer up.
- Once all the pieces are in place, staple them (yes, staple them!) for a firm hold. Sometimes the glue alone isn't enough to keep the pieces in place during the stitching. Stapling works beautifully: it's quick, the staples are easy to remove with your fingers, and because the wool is self-healing, no marks are left on the appliqué.
- Use a blanket stitch to appliqué the pieces in place using matching thread. Remove the staples.

Recipe Corner

Skillet Shepherd's Pie

With the cooler days of fall approaching, I thought this would be a great dinner recipe. Serve with a small Leafy green salad and you are all set.

Ingredients

- 1 pound ground beef
- 1 cup chopped onion
- 2 cups frozen corn, thawed
- 2 cups frozen peas, thawed
- 2 tablespoons ketchup
- 1 tablespoon Worcestershire sauce
- 2 teaspoons minced garlic
- 1 tablespoon cornstarch
- 1 teaspoon beef bouillon granules
- $\frac{1}{2}$ cup cold water
- $\frac{1}{2}$ cup sour cream
- $3\frac{1}{2}$ cups mashed potatoes (prepared with milk and butter)
- $\frac{3}{4}$ cup shredded cheddar cheese

Directions

- In a large skillet, cook beef and onion over medium heat until meat is no longer pink; drain. Stir in the corn, peas, ketchup, Worcestershire sauce and garlic. Reduce heat to medium-low; cover and cook for 5 minutes.
- Combine the cornstarch, bouillon and water until well blended; stir into beef mixture. Bring to a boil over medium heat; cook and stir for 2 minutes or until thickened. Stir in sour cream and heat through (do not boil).
- Spread mashed potatoes over the top; sprinkle with cheese. Cover and cook until potatoes are heated through and cheese is melted. Freeze option: Prepare beef mixture as directed but do not add sour cream. Freeze cooled meat mixture in a freezer container. To use, partially thaw in refrigerator overnight. Heat through in a large skillet, stirring occasionally and adding a little water if necessary. Stir in sour cream and proceed as directed.
