September/October 2021

Website: [www.hernandoquiltersguild.com](http://www.hernandoquiltersguild.com)

## President's Message

Dear Guild members,

I find myself staying home more with the new virus increasing (I hear it's really bad down there), and sewing every chance I get. Ten minutes here and there has added up to a lot of sewing for me.

I've had four baby quilts to make (still in progress)! Can't believe this family is growing by leaps and bounds. And I'm still waiting for my Granddaughter to pick out fabric for her newborn. YUP, add one more to that list! I hope I have all my tops done before I make the trip to Florida, so I can start quilting them on my mid-arm as soon as I arrive.

I hope you all have marked your calendar for Friday, November 5<sup>th</sup> from 9:30am until 1:00pm for our Guild Yard Sale at the Quarry. We will be allowing a couple of other guilds to come at 10:30, so come early. There will be a ton of books (many are fairly new which were donated by our dear member, Betty Johnson), tons fabric plus, a few other goodies. We will only be taking cash or checks.

We will have a celebration next month as my Mother-in-Law turns 102. She had been living on her own until about 4 months ago. Its been a busy summer tending to her needs. She doesn't realize the "home" will be throwing her a fun party with family and the other 5 residents. I've even been instructed by the head nurse to get her a beautiful outfit for her party. I think the home is really looking forward to this party! Any reason for a party is good for me.

Don't forget that when I return in October, we will be collecting for the mystery quilt.

So until we meet again.....

Fondly,

Karen Pilon - President

If you are interested in volunteering for a committee, please get in touch with Karen Pilon by phone (734-635-1560) or e-mail (tompilon@provide.net)
- ❖ **GUILD WEBSITE** – If anyone is interested in seeing photos of our 2019 Quilt Show, you can view these photos under the Quilt Shows Category on our site. For new members who might not be familiar with our site it is: **www.hernandoquiltersguild.com**. Please check it out. # Guild Challenge - 2021

## 2021 Hernando Quilt Guild Challenge

### Home Sweet Home

One of our favorite quilt blocks is the house pattern. Since the pieced block is technically simple, there is ample opportunity for experimentation. Our theme for 2021 is Home Sweet Home. Let your imagination run wild! Build your entry around the house of your dreams, the house of your childhood, a holiday house (don't get stuck on the standards – think about "Take your Pet to the Vet Day", Ground Hogs Day, Arbor Day, National Donut Day, etc.). How about your favorite house to visit, a haunted house or even your "today" house? Feel free to add activities, landscaping, pets, automobiles, hobbies, flora, fauna and/or other embellishments. You may use a purchased pattern, design one of your own, or use one of the blocks suggested by the committee. Don't limit yourself to a quilt or a wall hanging. Perhaps a pillow or a bag or a fabric basket.

As part of the challenge each participant must purchase a fat quarter of "Home Again Houses" fabric for \$5.00 as an entry fee (see Pam Russavage). This fabric must be visibly incorporated into the quilt top, although it's not necessary to use the entire fat quarter. To reclaim your entry fee, you must turn in your project for display and judging at the end of the challenge. Any entry fee not reclaimed will be donated to the guild to be used in one of its charities.

**Categories:** Entries will be judged in one category.

**Judging:** The Guild Members will be judging for "Best of Show", 1<sup>st</sup> place, 2<sup>nd</sup> place, and 3<sup>rd</sup> place. Guild members will also vote for the winner of "Viewer's Choice".

**Composition:** You must have the fabric "Home Again Houses" visibly included on the quilt top.

**Quilting:** You must have hand or machine quilting on your entry.

**Size:** No smaller than 16X16 and no larger than 45x60. If your entry is smaller or larger than the specifications, **your entry will not be judged.**

**Due Date:** October 28, 2021 – Guild Meeting

**Rules:** You are not allowed to use a project that has been made previous to this challenge. It must be made between March 26, 2020 and October 28, 2021. There will be a sign-up sheet when you turn in your entry. You must label the back of your entry with your name and the entry title.

# Show & Tell- June, 2021

Show & Tell for the month of June, quilts shown by members. I tried to capture as much as I could while taking photos, so below are some of the results.

Bev Abenante is showing a beautiful Cyclone table runner and also her Circle Ruler Quilt. Such pretty blues. Great Job Bev.

Barb Theriault is showing a Vintage Winnie The Pooh baby quilt she made for her granddaughter's baby boy due in early September.

Donna Anderson taught a class on the ruler tote in early June. The ladies are showing off their results. All different and fun colors.

Pat Mainster and Harriet Kellokoski are demonstrating these adorable T-Shirt Dresses they made. A class will be held on August 20<sup>th</sup>. What fun!

Pam Russavage is showing her reversible apron. Really cute.

Sharon Kenny Didden is showing her Rainbow Strip Sets Quilt. Love those colors. Nice job Sharon.

One of our new members, Diane Meyer, is showing her July 4<sup>th</sup> Quilt. Nice blocks. Good job Diane and welcome aboard!

# Show & Tell- June, 2021 (Continued)

This is our beautiful opportunity quilt to raffle off at our 2023 Quilt Show. This quilt was put together by Louise Isabelle and Karen Pilon. The blocks were made by our members at our last Retreat. Sharon Didden did a nice job picking our block "Snail Trails."

Ava Rossler finally finished her Quilt Retreat Quilt Top. Now for the Quilting! Great design.

Sandy Lawson showing her Christmas Quilt. I love the Cardinals, my favorite bird. Nice job Sandy.

Sandy Wesley is showing her very large Poppins Bag and also a cover she made for a large plastic 3-drawer case. Really nice.

Brigitte Kasm has two quilts to show. A beautiful Maze and star blocks Quilt. Nice job Brigitte.

Anne Koetter is showing two quilts. The one on the left is Yellow/Blue and the one on the right is a Blooming 9 Patch. Wonderful quilts. Nice job Anne.

On July 13<sup>th</sup> Louise Isabelle taught the "Christmas Hot Pad" class at the Quarry. These ladies are showing off their completed Hot Pads. All so pretty.

# THIS & THAT

## Some Historical Facts About Quilting

1. The word “Quilt” is derived from the Latin word *culcita*, which means “stuffed sack.”
2. The earliest depiction of quilting was discovered in Egypt; it was an ivory figurine of a pharaoh wearing quilted clothing, ca. 3400 BC.
3. Quilted clothing was popular in Europe, especially under chain-mail armor for soldiers. It kept the metal from rusting and kept the knights comfy under all their heavy gear.
4. European settlers brought quilting to the Americas, and the earliest-known quilt made in America is from 1704.
5. During the expansion into the Western United States, quilts were used as window coverings, doors, and walls for temporary housing as well as currency for pioneers.
6. “Quilting bees” originated in the Midwest United States during the 1800’s where a lack of neighbors and a need for socializing drew women together to finish quilts and make new friends.
7. Most quilts are built with squares, ranging from 8” x 8” to 16” x 16” (20 cm x 20 cm to 40 cm x 40 cm).
8. A quilt is made of three layers: a quilt top, batting, and a bottom layer. The top and bottom layers are made of fabrics stitched together. Batting (usually made of cotton or something similar) is insulation that makes the quilt warm.
9. There are three basic types of quilts: plain, or whole cloth quilts; appliqué quilts; and patchwork quilts.
10. Whole cloth quilts use single pieces of fabric on both the top and the bottom. Cords or stitching are used to make a design on the fabric.
11. An applique quilt has a top layer made of a single layer of fabric with additional pieces stitched on top. It was more popular with wealthier quilters, since nicer fabric had to be purchased and more time was spent adding intricate detail.
12. The “crazy quilt” was introduced during Victorian times. In order to showcase their wealth, high-brow women would use expensive fabrics, like velvet or silk, and brightly colored thread to make quilts. They were intended to be admired as art, not used for warmth or protection.
13. The most expensive quilt ever sold was a Civil War-era piece purchased for \$254,000 in 1991—the equivalent of \$470,230 in 2018 dollars.

## {Continued}

14. While quilting has traditionally been a female activity, some men in the United States military spent time quilting in order to pass the time while enlisted.
15. Many quilts made by military soldiers were known as “convalescent quilts,” since soldiers did quilting work while recuperating after being wounded in the line of duty.
16. Some military quilts are made up of 25,000 different pieces, since fabric was scarce on the front lines.
17. There are fewer than 100 military quilts worldwide, since many were not preserved after the wars during which they were made.
18. Alice Walker, a Pulitzer Prize-winning American author, wrote a famous and often-anthologized short story about quilting called “Everyday Use.”
19. The largest patchwork quilt was made in 2000 and measured 270,174 square feet (251,000 square meters). That’s more than 54 times the square footage of the White House!
20. Marxist Jean Baudrillard claimed quilts and other antique traditions were prime examples of the 20th century's desire for a “bygone” era, a nod to why humans seem to prefer the old over the new.
21. The average quilter is 63 years old.
22. “Dedicated quilters” (those who spend more than \$500 per year on quilting) buy, on average, 99 yards of fabric a year, almost an entire football field’s worth!
23. Dedicated quilters usually spend an average of \$3,363 on quilting supplies per year.
24. Beginner quilters spend an average of 6.9 hours a week on their craft. Advanced quilters spend around 17.6 hours.
25. Dedicated quilters spend almost 8 hours online per week visiting quilting sites and groups centered on quilting techniques, supplies, and news.
26. Quilting was a \$3.7 billion industry in 2017.
