September/October 2015

Website: www.hernandoquiltersguild.com

President's Message

Dear Guild Members,

It's hard to believe that autumn is just around the corner. We have all that luscious holiday fabric to look forward to. Oh, what to make next!

Thank you to Leida Martinez and her retreat committee for all their hard work planning the July 15th one day retreat. We had a lot of fun. Emily Hamilton taught a paper piecing class and many of us also actually finished some projects!

We have initiated some of the suggestions from the suggestion box already. Please remember to sign your name when putting in a suggestion because it helps me to discuss your ideas with you if I know who you are.

Debbie McCabe won July's birthday raffle, a \$20.00 gift card from Bayside Stitcher's quilt shop. Congratulations Debbie.

As the Charity Coordinator, Debbie also had a sewing day at the enrichment center to make hero capes for the children's center. The capes were all adorable and we had a lot of fun while doing something worthwhile for the children.

At the July meeting, Guild members voted to hold the opportunity quilt raffle at the October Guild meeting. However, after that vote, it was brought to my attention that the Florida raffle Law states the raffle must be held on the date and time noted on the tickets. Law supersedes a vote. As a result, the raffle will be held November 7, 2015 at 2:45pm. The place will be the Ryder Insurance parking lot at 20375 Cortez Blvd. Brooksville 34601. Many thanks to Marilyn Ryder & her husband for letting us use the parking lot.

Our Guild is always growing as we welcome new members and as we grow we need more volunteer's to step up to help with planning events. Please consider lending your time and talent to the Guild.

I look forward to working with you to continue to make HQG an active and fun Guild.

Respectfully Yours,
Bonnie DeFranco

The possibilities are endless with such a broad category as WATER. Get your creative juices flowing. We would like to have a large participation. The directions and subject were e-mailed out a few weeks ago so the snowbirds could start working on it this summer. Just remember the rules. The quilt has to be made between March 26th, 2015 to February, 25th 2016. Size should be no smaller than 16x16 and no larger than 45x60. Guild Events

On July 15th, 2015 A Summer One-Day Retreat was held at the Quarry Enrichment Center. The Retreat included Lunch, Dinner and an optional Paper Piecing Class taught by our own Emily Hamilton. It was a great day of fun and stitching!

The below recipe by Kathleen East, was served at the Retreat. Many of the ladies enjoyed the muffins and requested it be printed in the newsletter, so here it is:

Raisin Bran Muffins

- 4c Raisin Bran Cereal
- 2 1/2c flour (I used whole wheat pastry flour)
- 1 c Sugar
- 1/2 c Walnuts, chopped
- 1 tsp. salt
- 2 1/2 tsp. baking soda
- Mix dry ingredients in large bowl and make a well in the center
- 2 large eggs, beaten
- 2 c low fat buttermilk (use 2 1/4c if using whole wheat pastry flour)
- 1/2 c cooking oil

- Beat together wet ingredients. Stir into dry mix just until moistened. Don't over mix or muffins will be tough. Batter will be thick.
- Cover and store in frig for at least 3 hours, up to 2 weeks.
- To bake, fill paper muffin cups 3/4 full. Batter will be very stiff and will require pushing the batter down into the muffin cups. Bake 375 for 20-25 min. Make up to 24 muffins.
- When done, remove muffins from tin and cool on a rack. Serve w/Honey butter or also goo with a fruit butter.
- Added Note: (I usually sprinkle a little toasted wheat germ and cinnamon sugar on top of the muffins before baking to give them a little crunch.) 128 calories each if using my ingredients.

Superhero Capes For Kids Workshop – July 13, 2015

On July 13th, 2015 A Superhero Capes For Kids Workshop was held at the Enrichment Center. As the Charity Coordinator for our Guild, Debbie McCabe set up this workshop for a worthwhile cause. It all started with Peyton Manning's Children's Hospital and their theme "The Power To Get Well." These capes are made and donated to hospitalized children to empower them to get well. The sizes range from 2-6, but the pattern can be adjusted to fit other sizes as well. The volunteers had a great day of fun and stitching these Superhero Capes!

Free Motion Quilting Class – July 28, 2015

On July 28th, 2015 A Free Motion Quilting Class was taught by Ava Rossler at the

Enrichment Center. The ladies learned to perfect their skills in Free Motion. They had a great time and I am sure walked away with a new-found understanding, and a little less fear of the dreaded two words – "Free Motion." Thank you Ava Rossler for your expertise and excellent teaching skills.

Tips / Tricks

Paper Piecing Tips

- I make my own foundations for blocks, so after I've drawn them (on graph paper) I photocopy enough to make at least two blocks, then store them in the clear plastic covers that are generally sold at stationery shops. I keep them in 3-ring binders, and they're ready when I need to make another block. In the front of each binder, I have index-pages that show the patterns in that binder - a page of 4-to-an-inch paper will show 6 blocks, reduced to 3 inches. - Christine in California
- For paper-piecing I purchase tablets of parchment tracing paper and cut the paper down to the appropriate size to go through my printer. It really helps to be able to see through the paper when you are piecing. - Sandra in New York
- Test the accuracy of photocopied paper-piecing patterns by drawing a line measuring 1" somewhere outside of the paper-piecing pattern. Measure the photocopied line and make adjustments if necessary. - Carol in Maine
- Freezer paper is great for paper-piecing! Draw or print your pattern on the paper side and press your first fabric piece in the #1 spot on the waxy side. Sew your next fabric piece as you normally would and press to "lock" it in place. Continue on until pattern is finished. Fabric does not slip and the design comes out perfectly! - Joan in Georgia
- When doing paper piecing, to be sure your fabric is big enough, crease on sew line, turn over and if the material is covering the piece you are adding - it will fit!! - Renee in New York
- Use tracing paper for paper piecing. It is much easier to see through and tear away than freezer or typing paper. - Barbara in Texas
- Use a short stitch length when sewing your fabric to the paper foundation, but use a regular stitch length when sewing blocks together.
- Leave your paper foundations in place until all blocks have been sewn into a quilt top. The result will be greater precision and less distortion due to fabric being stretched when the paper foundation is removed.

Fabric Tips

- I save all my scrap fabrics and cut them into small squares before putting them away. They are ready when I want to make a scrap quilt or when I want to decorate a pair of shorts or tops I'm making for grandchildren. - Debra in Kentucky
- Save your smallest scraps, cut into 1" strips and make great log cabin pincushions for presents. - Lorna in Australia
- Applying spray starch to fabric before cutting bias cuts, will help keep fabric from stretching and distorting. - Dee in Washington
- Before washing new fabric, I put a pinking blade in my rotary cutter and pink the cut edges of the fabric. I like this better for controlling the fraying. A pinked edge is easier to spot in my stash, too so I know I have already washed the fabric. I tried using pinking shears; rotary cutting is much quicker and easier. - Bonnie in Illinois
- When pre-washing your material (especially good for reds) place a piece of muslin in the washing machine....that way you will be able to tell if the fabric is really going to run. - Mary Ellen in Wyoming

Quilting Websites To Consider

- www.Softexpressions.com This is a great website if you are looking for: paints, surface design & mixed media, embellishments such as buttons, hot ribbon and beads, rulers, threads, needles, cutters, fusibles; Fabric painting and photo transfer supplies, Zentangle supplies, etc. Laurel Burch Gifts, socks, etc. just to name a few. Fabric – Loralie Designs, etc. Very nice site, so check it out.
- www.Quiltingbookspatternsandnotions.com This is a great site for patterns, books and notions. I receive their newsletter once a week and it shows new patterns all the time. Even if I do not order a pattern, it gives me new ideas all the time and keeps me informed of what's out there. Check them out.

This, That and the Other !

Afternoon Tea – August 27th

You are invited to an Afternoon Tea presented by the Hernando Quilters' Guild on Thursday, August 27, 2015 immediately following the General Meeting.

Afternoon Tea menu includes assorted tea sandwiches, mini-pastries and other seasonal delights.

There is a \$5.00 non-refundable fee for the event which is due upon registration.

And The Winner Is!

Congratulations to our own **Betty Johnson** who won with her participation in the Summer Row x Row Quilt Event. She was the first to finish her quilt and bring it to one of the local quilt shops, **Quilts On Plum Lane in Dade City**. Betty says she decided to paint the quilt from Row x Row patterns that came mostly from Seattle and of course the pattern from Dade City. You can only take your finished quilt to one shop within the

1,250 shops participating across the country. If you are the first to bring in your finished quilt you win 25 Fat Quarters and a 30% discount from that participating shop if you used their pattern in your quilt. This is Betty pictured with her quilt in Dade City.
