July/August 2010

President's Message

Dear Guild Members,

Summer is here and the snowbirds have flown from their winter nests. This should be a more relaxing time to start planning those Christmas gifts for the 2010 Holiday Season. To help you along, it might be a good time to sign up for one of Sharon Allard's classes of "make and take" gifts for the holidays.

The Cancer Quilts are finished and are in the process of being sent off to their respective destinations to raise money for cancer research. The quilt blocks were outstanding and made up 3 beautiful quilts. Great job ladies!

On August 18th we will be working on Neo-Natal quilts at the Blood Bank for those little ones, so please lend us your skills and your time for this worthy cause.

Don't forget our only summer trip with Betty Schielein on July 16th to Ocala for a little shop hopping and lunch. New members.....this is your opportunity to get to know everyone!

I just got back from a delightful time at Irene Barese's time share condo in Daytona Beach Shores. There were 4 of us who made it a Mini Quilt Retreat. We visited shops from Palm Coast to Deland and were greeted with wonderful enthusiasm at every shop. We came away with new ideas and of course, more fabric to add to our stash. We also spent a good deal of time either finishing projects or starting new ones.

I managed to make great progress on the wedding quilt for my granddaughter while taking breaks in between for peaceful walks on the beach to clear my head and stretch body parts I've been neglecting lately.

So, with Summer upon us dear quilting friends remember >>>> **"Quilt Till You Wilt" and the occasional "Fruity Cocktail" at the beach couldn't hurt!**

GUILD NEWS

- ❖ Our next Yard Sale Table will be at the June meeting. You can donate items such as quilt books, scrap fabric, patterns, sewing/quilting items, etc. Something you no longer want or need could be just the right item for one of your fellow members. The proceeds from this table will help to offset costs of our Christmas Lunch and also help build our treasury for future speakers, quilt show expenses, etc. See Ellie Fries for more info.
- ❖ Our Master Quilter, Shirley Kerstetter, has done it again! She won a 2nd place prize of \$1,000 in the small wall hanging category in the AQS Show in Paducah in April. Congratulations Shirley! A picture of her winning quilt "Blue Blooms" is in the Show & Tell section of this newsletter. Some of us got to see this quilt at the May meeting and it is stunning.
- ❖ Shirley Kerstetter has volunteered to take over the task of Sunshine Lady until Mary-Ellen Schnellman is able to return. Please let Shirley know of anyone in the guild who is ill or has experienced a recent loss of a loved one.
- ❖ The By-Laws have been revised and approved by the guild. They have been placed out on our website for your convenience.
- ❖ The Knitted and Crocheted hat patterns have also been posted to our website for your convenience.
- ❖ Don't forget our up-coming Neo-Natal Quilt Sew-A-Thon on August 18th starting at 9:00am at the blood bank. Pellon Corporation has donated two bolts of batting for the occasion and Bonnie Giustozzi has some batting as well. Bring your 6-1/2" blocks of tone-on-tone or solid pastels with you to add to the baby print blocks we already have and help us put these much needed quilts together. Also, if you have any backing fabric you might want to donate, bring that as well.
- ❖ The hand work group will continue to meet and stitch after the monthly meeting. Don't forget your lunch. Happy stitching and getting know each other. New members, this is your opportunity to dig right in and have fun in your new Guild!
- ❖ Our annual Christmas Lunch will be held at Heritage Pines this year. There will be more to follow as time gets closer.

Who's Who In The Guild

Ellie Fries

Ellie was born in Bayshore, Long Island and raised in Islip, Long Island.

She is the oldest of 5 children having one brother and 3 sisters. However, Ellie is the only one of the girls that sewed. She learned to sew at the age of 4 from her German Grandmother and Mother who were dressmakers. She sewed as a child to make extra money.

Ellie won a scholarship to Fashion Institute and Technology (FIT) by making a Dress and Dress Coat similar to Jackie Kennedy's style.

Ellie was married and had 2 girls and 1 boy all 11 months apart. She has been divorced for 46 years and raised the children on her own. She worked in a psychiatric ward as a ward charge for 27 ½ years in the State Hospital. As a single mother she sewed for people to bring in extra money.

She made costumes for her daughter who was a skater, as well as making costumes for the other skaters and dance teams on the East Coast.

She has experience making wedding gowns and beaded bodices for Demetrius which were used as samples and featured in Bridal Magazines. She still designs outfits in her spare time when she's not quilting and in 1996 she taught jackets and wearable art..

Ellie's oldest daughter has 3 children and also enjoys cake decorating. Her son is a Suffolk County Sheriff with 3 children, 2 of them in college. Her youngest daughter lives in Palm Beach with 2 children ages 6 and 9 and she owns a production Company.

For the last 29 years she has been with who she calls the "love" of her life, Vincent. She still maintains a home up North staying there a few months in the summer.

She still does bead work and has provided classes for our guild in crazy quilting, teaching bead work, patchwork and layering fabrics. She has proven to be a valuable asset to the Guild as 2nd VP/Program Chairman.

We are indeed very fortunate to have Ellie as a member of our Guild, our wonderful Program Chairman/2nd VP, good friend and fellow quilter!

Rhonda Norton

Rhonda was born in Pittsfield, Massachusetts and raised in Berkshire Hills.

She and her first husband owned a Diner where she was the bookkeeper so she could stay home with her son Andrew. She met her second husband, Rick after being introduced to him by her brother. She and Rick had a son together..Zack who is now 22 years old.

One of Rhonda's sons is in Germany and the other in North Carolina. She enjoys her 3 grandchildren.

Because of the sewing lessons Rhonda took in high school she was able to later make clothes for her son Andrew.

She worked at a Medical Center as a CNA until she injured her knee and then worked as a unit coordinator. Shortly after she became a coordinator in Christian Education for the Church. During her time working at the Church, a coworker would bring in quilts to show her. She became interested enough to join the Yankee Pride Quilters' Guild.

When her husband, Rick was forced into early retirement, they moved to Florida in 2003 and she joined the "Herb Club." She then found our Guild in the Spring Hill Newsletter and showed up at her first meeting in 2004. Rhonda has been a member ever since and is now the coordinator for charities for the past 2 years. She organizes baby quilt-a-thons and delivers charity donations to the appropriate committee members. Her duties include fielding phone calls concerning charitable donations.

In her spare time she enjoys Civil War re-enactments, sewing, painting, knitting, crocheting and "spinning." She also likes hiking in Key Vista Park.

Since moving to Florida, Rhonda has endured some health challenges. She has trigeminal neurological and geniculate neurology with brain surgery in 2005 to ease the symptoms. She is dealing with her illness and the complications of treatment, but relies on God's help to cope. She is an active member of Family First Assembly of God.

She is happily married to her very supportive husband and is very proud of her 2 sons and we are also fortunate to have Rhonda as a member of our Guild, good friend and a fellow quilter!

Show & Tell

A Winner Among Us – Shirley Kerstetter

We are very proud to announce that our Master Quilter, Shirley Kerstetter won a 2nd place prize of \$1,000 in the small wall hanging category in the AQS Show in Paducah in April with this beautiful quilt “Blue Blooms.” Congratulations Shirley!

Breast Cancer Quilts

These are two quilts made up of your individual blocks that have been donated to two organizations to raise money for the cure of breast cancer. Ellie did a great job in organizing this task and a thank you goes out to those who made blocks and the volunteers who helped piece the quilt together. A collection was taken to help offset the cost of the long arm quilting done by Kathleen Hafer of Spring Hill, Florida. Thank you everyone!

Haven's Quilt

*This quilt is made of cloth and thread
 To place above your little bed
 It's not an heirloom - just to keep,
 But to gaze upon before you sleep
 Or perhaps the floor's the perfect place
 For a doll and teddy picnic space.
 This quilt can be anything you dream - from
 Superman's cape to the robe of a queen.
 Pretend its a raft adrift at sea,
 Or just cuddle up when you watch TV.
 So use it up and wear it out -
 I promise I won't yell or pout,
 Just tell me when its days are through,
 And I'll make another, just for you.*

Barb Theriault designed this Panda quilt for her great niece, Haven Grace Burnett, born May 21, 2010 in Lakewood, Colorado. She added a poem to the back label and was asked by some of the members to re-print this poem in the next Newsletter. So for your reading pleasure, here it is.....

Show & Tell – Continued

These two quilts were made by Donna Weiss and you can tell by her smile that she is proud of her accomplishments. A great job Donna. Use that new machine and have fun! We hope to see more quilts from you.

Another beautiful quilt from one of our most talented Appliqué artists, Bonnie Staveski. She teaches classes in Appliqué for guild members and you can learn a lot from her talents.

Joyce Elliffe made these two wonderful quilts from the children's drawings she collected for the Ronald McDonald house. Great job Joyce. What a generous undertaking. I'm sure the kids were delighted to see their artwork in a quilt.

Roberta Hawley, one of our newer members, is showing a colorful quilt that she made for the Shrine Children's Hospital. Nice job Roberta.

Sonja Kleist is showing a beautiful rust, white and brown quilted wall-hanging. A really nice design. Good job Sonja.

2011 Quilt Challenge – “Log Cabin Quilt” (Any Variation)

The Quilt Challenge for 2011 will be hosted by our Best of Show winner this year, Denise Jolliffe. The challenge is a Log Cabin Quilt, Any variation.

A guideline sheet was passed out at the March meeting for the new 2011 challenge due on February 24, 2011. Everyone was asked to make a wall hanging no smaller than 16” x 16” and no larger than 60” x 60”. You may use the fabric of your choice and any color that you desire. You may use embroidery, buttons and any other embellishments as needed to complete your entry.

The categories will be Appliqué, Pieced, Mixed Technique and Wearable Art. The possibilities are endless on the different varieties of Log Cabin design, so start putting together some great ideas and have fun doing it.

If you have any questions, or need a copy of the guideline sheet, please see or call Denise Jolliffe (352) 597-3376.

Here is a little ditty I found that your husbands might appreciate. Enjoy!

My Wife The Quilter

She learned to quilt on Monday.
Her stitches were very fine.
She forgot to thaw out dinner,
So we went out to dine.

She quilted miniatures Tuesday.
She says they are a must.
They really were quite lovely,
But she forgot to dust.

On Wednesday, it was a sampler,
She says the stippings' fun.
What highlights! Oh what shadows!
But the laundry wasn't done.

Her Charm Quilt was on Thursday,
Green patches, blue and red.
I guess she really was engrossed;
She never made the bed.

It was wall-hangings on Friday,
In colors she adores,
But she never seemed to notice,
The crumbs on all the floors.

I found a maid on Saturday!
My week is now complete.
My wife can quilt the hours away,
The house will still be neat!

Well, it's already Sunday!
I think I'm about to wilt,
I cursed, I raved, I ranted...
The **MAID** has learned to Quilt!!
