President's Message

Hi Ladies,

I want to start this message off by thanking all those who volunteered for the Nominating Committee and the various committees for the 2013 Quilt Show. You volunteers are the glue that keeps this Guild together!

I want to say goodbye and good luck to Carol McCarthy one more time. Our Guild will soon realize what a jewel we had in Carol. I know that since I joined this Guild almost 12 years ago, she was responsible for making hundreds of Veteran and Neo-natal quilts. It was incredible. Always a happy smile on her face while doing so. Good luck Carol! You will truly be missed.

I will not be available from June 4th to about June 18th because we will be driving to Wisconsin for the High School graduation of our youngest granddaughter, Nicole and the first birthday party for great grandson, Braedyn. Also, we get to see our grandson Travis who will be home for the summer from St. Petersburg, Russia. We haven't been home for 2 years and look forward to seeing all of our loved ones again!

I look forward to seeing you all at the June meeting! May I also remind you..... "A messy house is the sign of a happy quilter"!

Eileen V.

GUILD NEWS AND NOTES

- ❖ **2013 CHALLENGE** : Mariann Ingle, as Best of Show winner for this year's challenge, will be in charge of the 2013 challenge. She has announced that it will be **"Stripes and Plaids are not a Fad, but it is your 2013 Challenge."** She passed out a flyer with details at the March meeting and via e-mail where applicable. If you have any questions, please let Mariann know. Also, the challenge info will be posted to the website soon.
- ❖ **AWARD PINS** - Quilt Pins were handed out at the April meeting to all the various committee heads and volunteers.
- ❖ **QUILTING TECHNIQUES/ CLASSES** - At this point in time we have no classes scheduled for the summer. Hopefully, we will resume in the fall and will find a new venue to hold our classes.
- ❖ **RECIPE CORNER IN NEWSLETTER** - Please either give to me, Barb Theriault, or e-mail me (btheriault1@tampabay.rr.com) your favorite recipe for future publishing in the Newsletters. I will publish only one or two per newsletter depending on space available.
- ❖ **QUILTING ARTS GROUP OFF FOR SUMMER** - The Quilting Arts Group will be taking a hiatus for the summer and will resume either in September or October. We will keep you informed of where and when.
- ❖ **EMBROIDERY GROUP OFF FOR SUMMER** The embroidery group will also be taking a hiatus this summer and will resume again in the fall. We will keep you informed of where and when.
- ❖ **BLOCK OF THE MONTH** - Participation has been very good on the **Block of the Month**. Don't forget to turn in your finished block at the beginning of the meeting to Marilyn Ryder. Also, don't forget to pay your 50 cents and pick up the next month's block. You could be the lucky winner of enough blocks to make a really nice quilt. Also, they are always looking for volunteers to submit a block of the month pattern for future months. Stay active ---- stay creative!
- ❖ **QUILT TRIPS** - Our monthly quilt trips range from Mini Quilt Shop "Hops" which always include a gathering at a nearby restaurant for lunch and show & tell of our purchases. We also take Group Quilt Show Trips. It is always a fun time to get together to shop, have lunch and exchange ideas. If you have not done so yet, please consider joining in on one of our monthly trips. Please also consider volunteering to be one of the drivers so the same people are not having to drive all the time.
- ❖ **DONATIONS FOR CHURCH FOOD BANK** - As a membership we should be very proud of the donations we give on a regular monthly basis for the Food Bank at Holy Cross Lutheran Church. Keep up the good work. There are so many people out there needing help and it's nice to know we do our part. Vic Behrman from the Outreach Food Pantry thanked us at our last meeting and said with our help they were able to help 425 families in the community.
- ❖ **2013 QUILT SHOW** – We still need volunteers for our Quilt Show and we are pleased to say at this time that Chairpersons for each division have been filled. Our Quilt Show Chairman will be **Carol Aldridge**. **The Quilt Show for 2013 will be held on November 2nd with a November 9th rain date.**
- ❖ **PENNY AUCTION ITEMS NEEDED FOR CHRISTMAS PARTY** – Meg Smith has started collecting items for the Auction to be held at our 2012 Christmas Party, tentatively set for December 13th. Anyone having any items to donate, please see Meg Smith.
- ❖ **HAND WORK/RED WORK "BEE" GROUP** – Just a reminder that the hand work group will continue to meet directly following the Guild meetings. The hand stitching time is open to anyone who wishes to join us. If you would like to learn hand work, there is always someone that will be glad to show you some techniques. You can do embroidery, bind a quilt, or anything you chose by hand only. **No sewing machines allowed. Bring a bag lunch and let's have fun!**

Guild Activities

Joyce Lottinville - Wren Hollow Cottage Demo/Show

At our May, 2012 meeting our guest speaker was Joyce Lottinville from Wren Hollow Cottage who gave a demo on a new and different way to capture applique by using black netting or tulle. Applique pieces were glued down onto a background and then the black netting was placed on top to capture and keep the pieces in place. Free motion sewing was then used to secure the pieces in place. We were all delighted to see all the wonderful samples Joyce brought to show us and we thank Joyce for sharing with us. Below are 3 of our Guild members who took a class from Joyce and are showing their finished products. Beautiful job ladies!

Quilt Trip - Country Quilts & Bears / Rainbow's End Quilt Shop

On Friday, May 18th we took a trip to Country Quilts & Bears and Rainbow's End Quilt Shop. It was a beautiful day and of course we had to stop for lunch at our favorite restaurant in Dunedin called Bon Appetite', where we dined in the outside setting on the water. Of course I, your editor, was sure to sit further away from the water this time to avoid the droppings on my shoulder of an uninvited seagull which I experienced on a previous trip. We had a good laugh, I assure you!

A farewell Luncheon Goodbye Carol McCarthy

On Thursday, May 24th after our Guild meeting we had a goodbye luncheon at Kally K's for Carol McCarthy. We wanted to say goodbye and good luck to Carol on her move to Gainesville, Florida. Our Guild will soon realize what a jewel we had in Carol as she was a very active member of our guild. She was responsible for the 50/50 drawings and for making hundreds of Veteran and Neo-natal quilts. She always had a happy smile on her face while doing so. We will miss her dearly!

Show & Tell

Karen Pilon is showing a beautiful quilt of appliqued flowers and vases – a wonderful summery feel! Nice job!

Beverly Abenante, one of our newest members, is displaying her lovely heart quilt. Nice job Beverly! Below she shows a bright, festive table runner for Christmas!

Joyce Elliffe is peeking out from behind two of 4 quilts she has made recently and some are being donated to our Neo-natal project. Nice Job Joyce!

Emily Hamilton is keeping cool this summer with her very own adorable Penguins! "Think Cold, Emily!"

A baby quilt by Bonnie Guistozzi is also being donated to our Neo-natal project! Nice job Bonnie!

Monet', you have competition. What a lovely art quilt by Sharon Allard.

Nina Ouimette is showing a cheerful scalloped edge quilt. Yummy! A summer picnic and some sherbet ice-cream come to mind!

Tips / Tricks / Recipes

Quilting Tools From Common Household Items

Variety Store

Submitted by: Janet Leadbetter

- ❖ You can purchase pony tail elastic bands. These are great for containing rolled pantograph patterns, rolled applique or keeping small containers closed. They are very inexpensive and come in multicolor packages. Use them anywhere in place of rubber bands as they are sturdier than rubber bands and don't disintegrate and break with age.
- ❖ Rather than pinning binding, use metal hair clips. These hairclips are shaped like an elongated triangle and are curved. When you snap them open, they curve in the opposite direction to clip over the edge of your quilt binding. They hold the binding in position and you don't risk scratching from regular pinning.
- ❖ Mole Foam is available in the foot care department. It is a thick foam rubber product with a peel and stick back. Use an old rotary cutter blade and cut a strip ¼" x 3" long. Peel and stick this strip exactly ¼" to the right of your machine needle and toward the front to use as a guide to line up your patches as you machine piece.

Hardware Store

- ❖ Door Peephole - Do you ever want to stand back and look at a stack of new fabric, a block, or a portion of a quilt on the design wall, but find your room is too small. The door peepholes are usually used to view through a solid door to the outside of a house or apartment. If you use one for quilting, it will make your project look farther away so you can get a perspective of distance without having a large room. There are several sizes. Purchase the largest one in your budget. Be sure to look through it before buying to be sure the lenses are clear and not scratched or distorted.
- ❖ Clear Plastic Tackle Box - Quilters need storage space for lots of small tools, sewing machine feet, buttons, embellishments and thread. Check out the fishing tackle section for various of clear plastic storage boxes. Don't forget to also look in the toy section of a department store for a box made for the little metal cars. It works great for thread storage.
